We have a few service changes for the upcoming weeks. Time to plan ahead!

GoTriangle is suspending DRX and CRX service from December 25-29 due to operator shortage and reduced demand during the holiday week. Check routes 100, 300, 400, 700 and 800 during that time for alternative options!

GoTriangle will run at Sunday-level service on December 24 and will not be operating on December 25.
