Durham-Orange Light Rail Transit Project Draft Environmental Impact Statement/Draft Section 4(f) Evaluation

GoTriangle, in cooperation with the Federal Transit Administration (FTA), prepared this Draft Environmental Impact Statement (DEIS) and Draft Section 4(f) Evaluation to evaluate the proposed Durham-Orange Light Rail Transit (D-O LRT) Project. The DEIS evaluates the environmental, transportation, social, and economic impacts associated with the transportation improvements in the Durham-Orange (D-O) Corridor serving the cities of Chapel Hill and Durham in the Research Triangle region of North Carolina. Technical reports referenced in the DEIS are available in Appendix K.

The National Environmental Policy Act (NEPA) requires the preparation of a DEIS for projects that involve a federal
Currently an advance copy of the DEIS is available for public review only. GoTriangle is hopeful that U.S. Environmental Protection Agency (EPA) will publish the Draft Environmental Impact Statement (DEIS)/Draft Section 4(f) Evaluation in the Federal Register, on August 28, 2015, thus beginning the 45-day public comment period for the Durham-Orange Light Rail Transit (D-O LRT) Project. GoTriangle anticipates the public comment period to be open from August 28 to **October 12, 2015**. There are five official channels for collecting public comments:
