3. Questions and Answers

    Q: Does GoTriangle expect the ERP system (in future) to include capabilities other than what Microsoft Dynamics offers today for GoTriangle?

    A: Please refer to the second paragraph of the Background section.

    Q: Should the assessment expand to other ERP capabilities (to future proof) that could impact our assessment scope?

    A: Please refer to the second paragraph of the Background section; and the Scope of Services Task I, section 1. ERP System Evaluation.

    Q: What is the approximate number of business processes within the scope of the assessment?

    A: Please refer to the Scope of Services Task I, section 1. ERP System Evaluation, items 1.1 through 1.10.

    Q: Is it GoTriangle's expectation that the selected vendor will develop detailed functional requirements to summarize business requirements for a replacement ERP solution?

    A: Refer to the Scope of Services Task VI, section 10. Optional Services – Implement Replacement Roadmap.

Q: If the proposer does not provide system configuration and enhancement support, can they not bid on Task V? If not, can proposers submit a proposal response for Items 9.1, 9.3, and 9.4 only?

A: Refer to the Instructions to Offerors section 3. Contents of Submittal.

Q: What is the approximate number of other critical systems that a new ERP system may need to interface with?

A: Refer to the Scope of Services Task VI, section 10. Optional Services – Implement Replacement Roadmap, subsection 10.4.2.

Q: There are a number of variables that may impact the amount of time required to execution this task. For purposes of pricing this optional service, what period of performance should proposers assume will be necessary to complete the implementation?

A: Refer to the Scope of Services Task VI, section 10. Optional Services – Implement Replacement Roadmap, subsection 10.2.1.

Q: How many stakeholders will be involved in the assessment and development of the implementation replacement roadmap?

A: Refer to the Scope of Services Task VI, section 10. Optional Services – Implement Replacement Roadmap, subsection 10.5.1.

Q: Approximately how many end users will need to be trained on the new ERP system?

A: Refer to the Scope of Services Task VI, section 10. Optional Services – Implement Replacement Roadmap, subsection 10.5.2.

ALL OTHER TERMS AND CONDITIONS OF THE SOLICITATION REMAIN THE SAME.
