

Invitation For Bid (IFB) Addendum

ITB No. 26-027 Addendum Two (2)
ITB Title Bus Stop Improvement US15-501 & Eastowne Dr.

February 10, 2026

- I. Pursuant to the Instructions To Bidders Section 4. Addenda, the solicitation documents is amended to:
 1. Include a virtual option for the Bid Opening meeting;
 2. Incorporate the revisions resulting from the Pre-Bid Conference Questions and Answers. The solicitation document has been updated on the GoTriangle website, and all revisions are highlighted **yellow**.
- II. Pre-Bid Questions/Answers:
 1. Where can we get the attachments as described in the discussion?
 - a. Details regarding procurement opportunities, including IFB attachments, are available on the GoTriangle Procurement Opportunities webpage: <https://gotriangle.org/procurement>
 2. What is the web address for the bid advertisement?
 - a. Please refer to the revised solicitation document Cover Page.
 3. Any electrical needed for the bus security lights? Specs state installation of pushbuttons and "wiring".
 - a. Please reference the revised solicitation document, Specifications, Section 21. INSTALL BUS STOP SECURITY LIGHTING SYSTEM
 4. Is there a plan for detouring pedestrians?
 - a. Please refer to the revised solicitation document, Specifications, Section 35. SIGNING.
 5. Is material testing paid for by the contractor or GoTriangle?
 - a. Please reference the revised solicitation document, Specifications, Section 10. MATERIALS SAMPLING & TESTING.

-
6. What is the proposed start date?
 - a. Please refer to the revised solicitation document, Instructions To Bidders, Section 1. Anticipated Project Schedule.
 7. When are questions due?
 - a. Please refer to the revised solicitation document, Instructions To Bidders, Section 1. Anticipated Project Schedule
 8. What is the requirement for number of copies of the bid and are thumb drives needed?
 - a. Please reference the revised solicitation document, Instructions To Bidders, section 5. Bid Package.
 9. Is there a preconstruction meeting date set already?
 - a. A date has not been set for the preconstruction meeting.
 10. Is there a proposed budget?
 - a. No. Budget information will not be disclosed. Proposers shall submit proposals based solely on the requirements, scope of work, and evaluation criteria set forth in the solicitation documents.
 11. What is the speed limit for the area?
 - a. The posted speed limit is 45mph.

III. Clarifications

The project includes the removal of trees greater than 4 inches in diameter. While the specifications reference NCDOT clearing and grubbing standards for trees up to 4 inches in diameter, bidders are advised that removal of trees exceeding 4 inches in diameter is included in the scope of work and shall be accounted for accordingly.

- a. Please reference the revised solicitation document, Specifications section 9. CLEARING & GRUBBING.

- IV. Pre bid attendees list is attached (not all inclusive, some attendees did not provide their information).

ALL OTHER TERMS, CONDITIONS, AND REQUIREMENTS REMAIN IN FULL FORCE AND EFFECT.
