In addition to the indemnity provisions set forth elsewhere in this Agreement and not in limitation thereof, Contractor agrees to indemnify and hold the Indemnitees harmless from any and all alleged claims, losses, judgments, or causes of action by Contractor's employees, independent contractors, or their representatives for personal injury or death arising out of, during, or from performance of the Services caused by any act or omission of Contractor. In connection with any such appeal, Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position to GoTriangle.

The decision of the authorized representative of GoTriangle rendered at the conclusion of any such appeal shall be final and conclusive as to questions of fact unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly

erroneous as necessarily to imply bad faith. The decision of GoTriangle or its duly authorized representative shall not be final and conclusive as to questions of law. No action challenging such decision shall be brought more than six months from the date of Contractor's receipt of such decision.

- 11.1. If it is determined, on appeal, that GoTriangle's interpretation of the Agreement, direction to Contractor, or any other action required by GoTriangle's decision was an erroneous determination of the rights and obligations of the parties under the Agreement, Contractor's remedy shall be the same as if such action were a change under Section 4 Changes in the Services above.
- 11.2. Unless otherwise directed by GoTriangle, Contractor shall continue performance under the Agreement while matters in dispute are being resolved. Nothing in this section shall preclude alternative dispute resolution.
- 11.3. The Contractor has created, acquired or otherwise has rights in, and may, in connection with the performance of Services for GoTriangle, employ, provide, create, acquire or otherwise obtain rights in various concepts, ideas, methods, methodologies, procedures, processes, know-how, techniques, models, templates and general-purpose consulting and software tools, utilities and routines (collectively, the "Contractor technology"). To the extent that any Contractor technology is contained in any of the Services or Deliverables including any derivative works, the Contractor hereby grants GoTriangle a royalty-free, fully paid, worldwide, perpetual, non-exclusive license to use such Contractor technology in connection with the Services or Deliverables for GoTriangle's purposes.

- 35.2. GoTriangle hereby grants Contractor a royalty-free, fully paid, worldwide, perpetual, non-exclusive license for Contractor's internal use to non-confidential deliverables first originated and prepared by the Contractor for delivery to GoTriangle.
- 35.3. The Contractor shall indemnify GoTriangle and its trustees, stakeholders, officers, directors, agents and employees against alleged liability, including costs, for alleged infringement of any United States patent (except a patent issued upon an application that is now or may hereafter be withheld from issue pursuant to a Secrecy Order under 35 U.S.C. § 181) arising out of the manufacture or delivery of software, the performance of services under this Contract. If the Contractor is not the original equipment manufacturer for manufactured software purchased under this Contract, it will ensure that the patent holder provides indemnity to GoTriangle under this clause. This indemnification shall not apply unless the Contractor is informed as soon as practicable by GoTriangle of the suit or action alleging such infringement and is given such opportunity as is afforded by applicable laws, rules, or regulations to participate in the defense thereof.
- 35.4. The Contractor, at its own expense, shall defend any action brought against GoTriangle to the extent that such action is based upon a claim that the Services or other Deliverables supplied by the Contractor, or the operation of such pursuant to a current version of Contractor-supplied software, infringes a patent, or copyright or violates a trade secret in the United States. The Contractor shall pay those costs and damages finally awarded against GoTriangle in any such action. Such defense and payment shall be conditioned on the following:
- 35.4.1. That the Contractor shall be notified within 120 days of GoTriangle's knowledge of any such claim in writing by GoTriangle; and,
- 35.4.2. That the Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that GoTriangle shall have the option to participate in such action at its own expense.
- 35.5. Should any Services or other Deliverables supplied by Contractor, or the operation thereof become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement of a patent, copyright, or a trade secret in the United States, GoTriangle shall permit the Contractor, at its sole option and expense, either to procure for GoTriangle the right to continue using the Services or Deliverables, or to replace or modify the same to become non-infringing and continue to meet procurement

specifications in all material respects. If neither of these options can reasonably be taken, or if the use of such Services or Deliverables by GoTriangle shall be prevented by injunction, the Contractor agrees to take back any goods/hardware or software, and refund any sums GoTriangle has paid Contractor and make every reasonable effort to assist GoTriangle in procuring substitute Services or Deliverables. If, in the sole opinion of GoTriangle, the return of such infringing Services or Deliverables makes the retention of other Services or Deliverables acquired from the Contractor under the agreement impractical, GoTriangle shall then have the option of terminating the contract, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back Services or Deliverables and refund any sums GoTriangle has paid Contractor .

- 35.6. Contractor will not be required to defend or indemnify GoTriangle if any claim by a third party against GoTriangle for infringement or misappropriation results from GoTriangle's alteration of any Contractor-branded Service or Deliverable.
- 35.7. Nothing stated herein, however, shall affect Contractor's ownership in or rights to its preexisting intellectual property and proprietary rights.
