How Do I Apply?
If you believe you qualify, complete Part A of this application and then give both Parts A and B to a Health Care Provider who is familiar with your condition to have him/her complete Part B. Your signature on the application authorizes this professional to provide information to the participating paratransit system regarding your eligibility for ADA paratransit services and any needed clarification of functional limitations due to your disabling condition. The application must be properly and fully completed in order to be considered.

What Happens After I Turn in my Application?
You will be contacted within 21 business days by a staff to schedule your functional assessment. For your assessment, you will be provided a free trip to and from a functional assessment center, to determine your eligibility based on the following factors:

a) Information you provided on your application
b) Information provided by your healthcare professional
c) A brief assessment of your actual functional abilities
d) A review of available transportation options in the area in which you desire to travel

If you have questions or have not been contacted within 21 business days of submitting your application, call the phone number(s) listed above. If, at that time, a determination of your eligibility has not been made, you will be temporarily eligible for the paratransit services until such time as your application can be reviewed.

You will receive notice of your eligibility determination by mail. If you do not agree with the eligibility determination, you have the right to appeal. Information on how to file an appeal will be included with your eligibility notice. If an eligibility determination takes longer than 21 days, you may be given
eligibility to use the paratransit system until a final decision about your eligibility is made. This does not apply if, through inactions on your part, we are unable to complete the processing of this application.
