

GoDurham  
Proposed  
August 2020  
Service Changes

# Goals of the Service Changes

- Implement the Short-Range Transit Plan approved by Durham City Council in June 2019
- Provide more frequent service at night and on weekends with funding from the Durham County Transit Tax
- Respond to recommendations of the GoDurham Onboard Survey Report (2017) in which 31 percent of customers selected increased frequency at night and on Sundays as the highest service priority

# What are the benefits of the changes?

**6.1 additional miles of frequent service** (every 15 minutes all day) and **30-minute service at night, Sunday and holidays**

**12.1 additional miles of 30-minute Saturday service**

**13,400 residents and 11,700 jobs** within a quarter-mile of additional frequent service
