Chapel Hill Transit

chtransit.org 919-969-4900

Chapel Hill Transit provides fare free transit services in Chapel Hill and Carrboro, including the UNC campus. Service is available on weekdays from 5 a.m. to 8:30 p.m., with limited bus services until 1 a.m.

Each bus can carry two bicycles.

Welcome

Chapel Hill is a community where biking is a safe and convenient everyday choice. It's fast, healthy and good for the environment. In 2010 the

League of American Bicyclists named Chapel Hill a Bicycle Friendly Community. This award reflects Chapel Hill's emphasis on accommodating people who are walking, bicycling and using transit.

This map identifies the community's existing onstreet bicycling facilities and network of greenways. Whether you are a resident looking for a nice walk or bicycle ride through the woods or along a creek, or if you are a student looking to explore the surrounding area without a car, you should find this map helpful.

Please do your part to improve bicycling in Chapel Hill by riding responsibly, following the Rules of the Road and sharing the trails. Feel free to contact us if you have suggestions for how to improve bicycling conditions. Let's work together to keep Chapel Hill safe and bicycle-friendly.

Your comments and suggestions are always welcome. Please contact us at info@townofchapelhill.org or call 919-967-2743.

Go Chapel Hill partners with bike advocacy groups, UNC-Chapel Hill, the Town of Carrboro, the business community, public and private schools, and residents to promote the use of alternative transportation in order to make for a healthier community for all ages, in which to work, live and play.

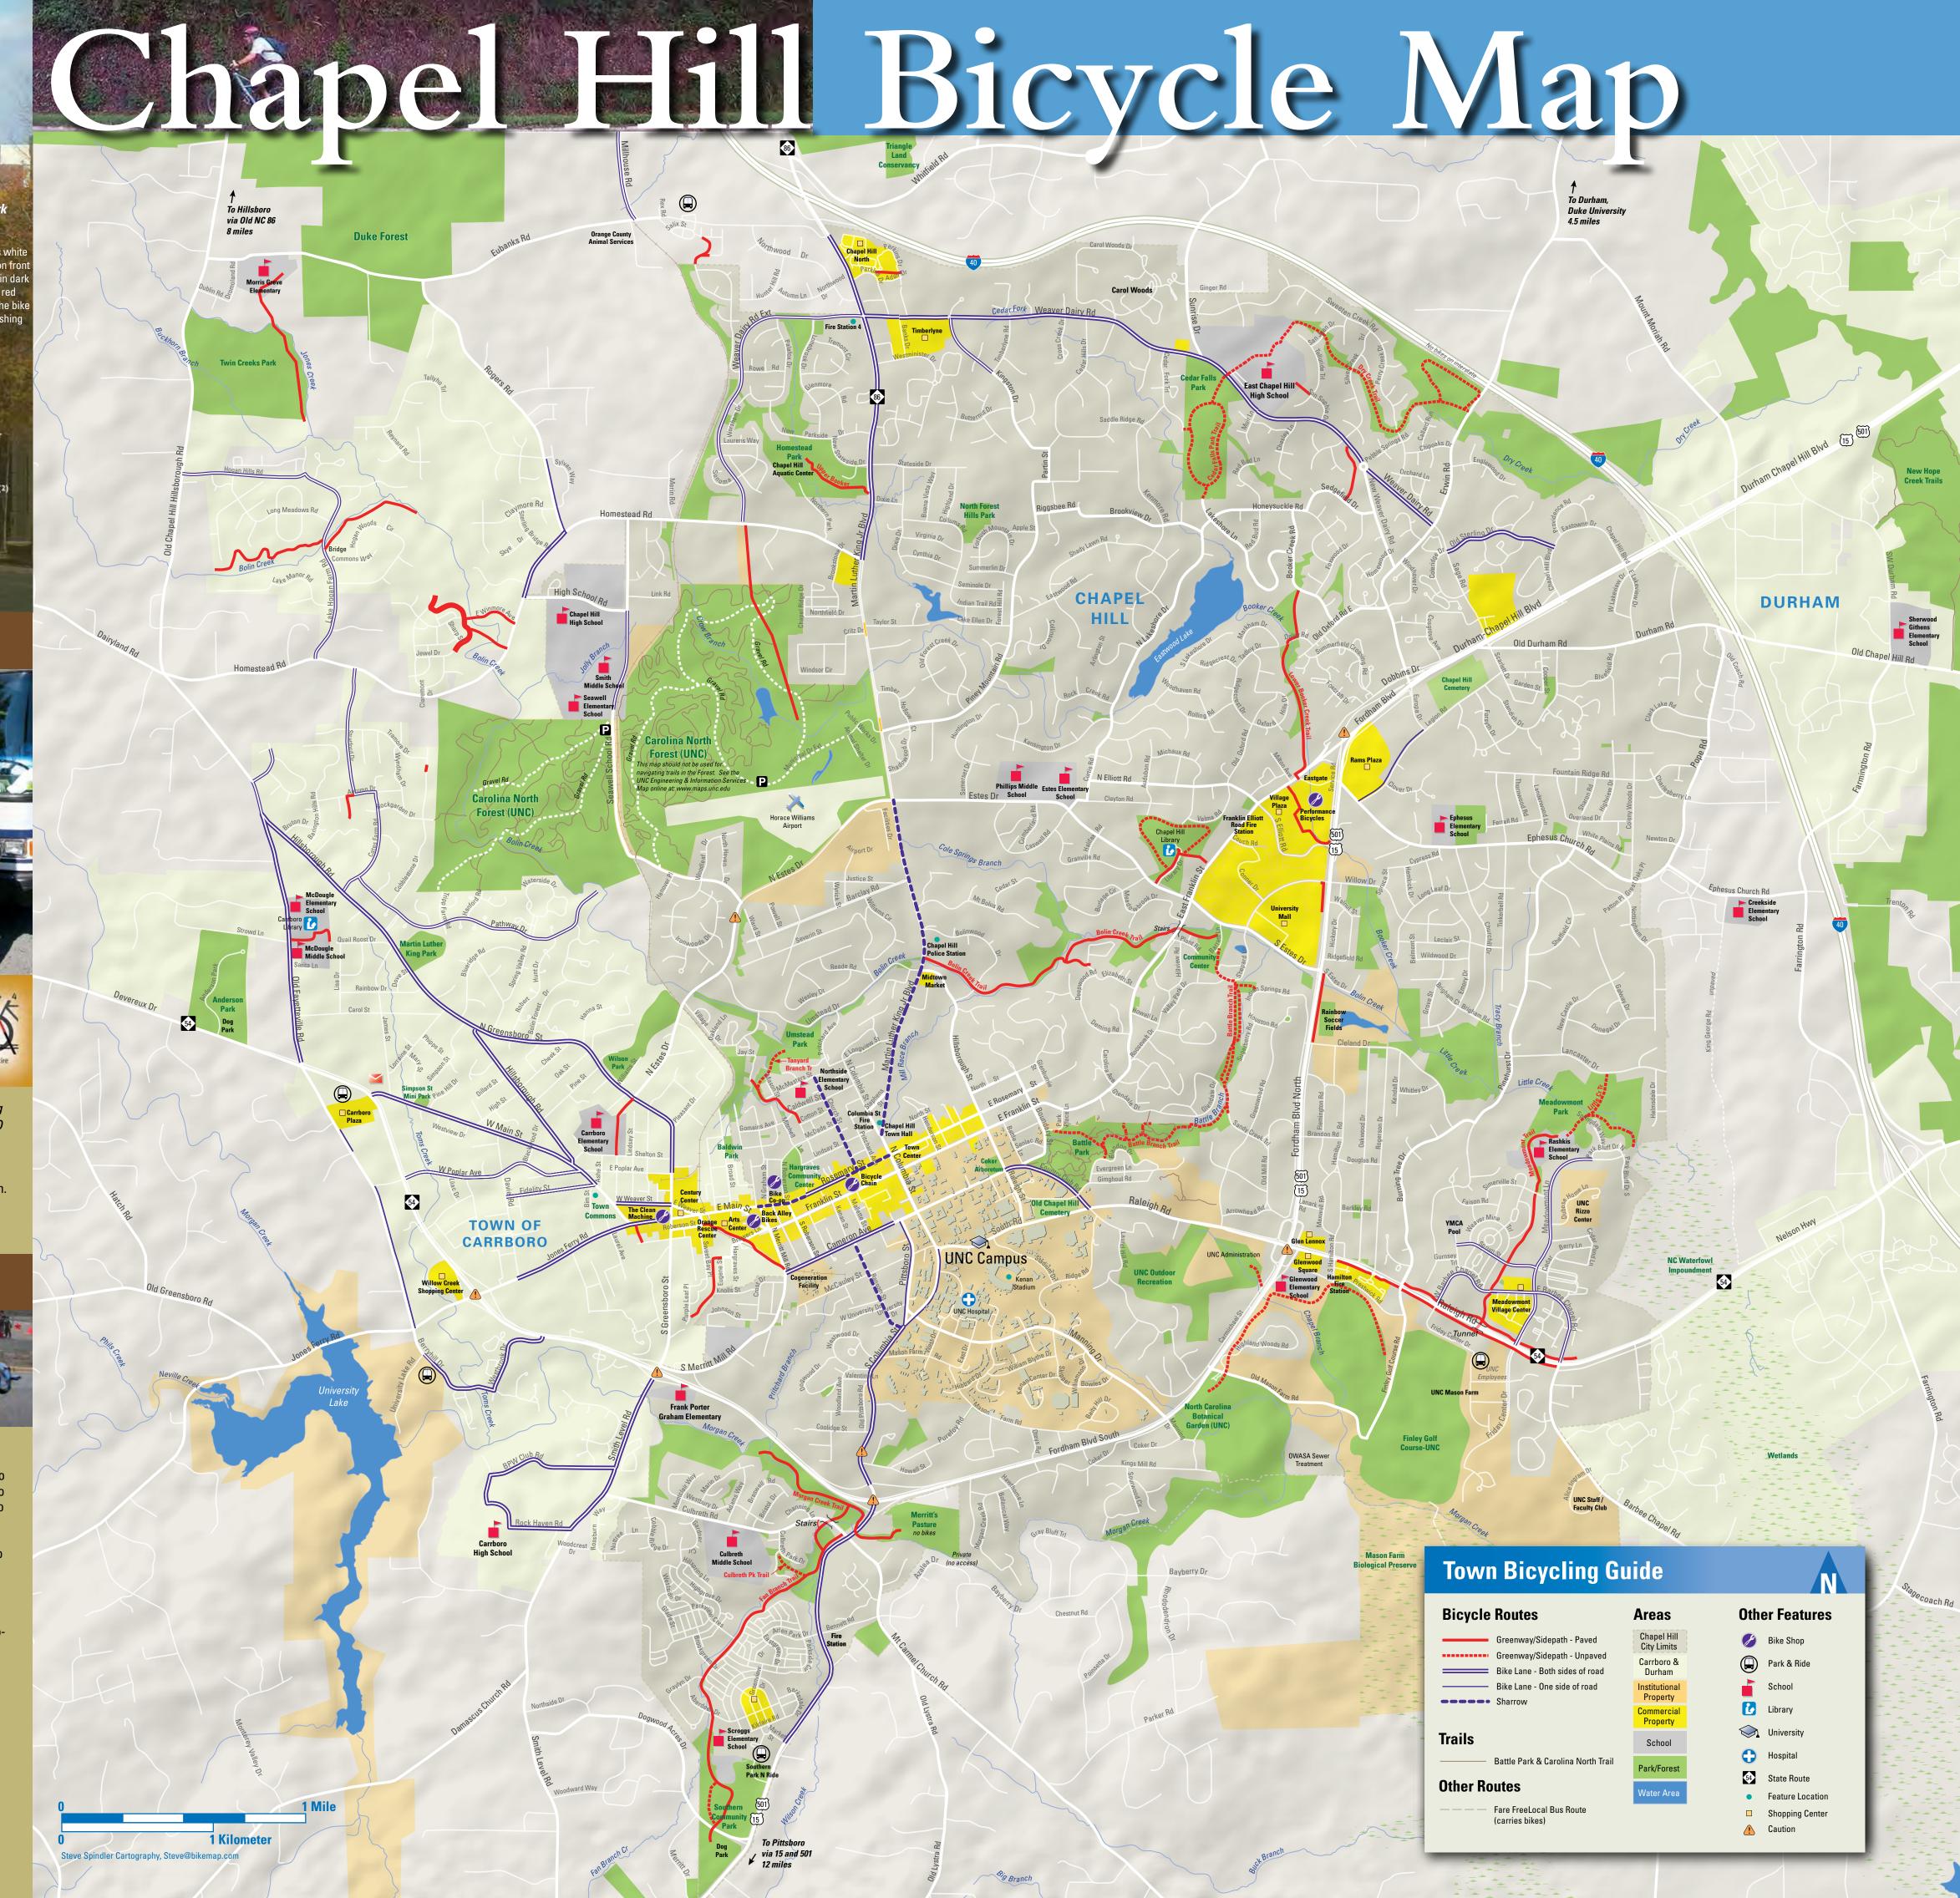

Consider joining the Go Chapel Hill Commute Club at no charge! Membership offers discounts to businesses in the community, information on how to more easily get from one place to another without a car, be part of a speakers bureau and take part in regional efforts to promote life without a car. Emergency ride home is provided at no charge also through Go Triangle.

Art Abounds – Parks and greenways showcase the arts such as these artist-designed benches along the Bolin Creek Greenway.

Chapel Hill supports the arts through its Public Arts Office and Percent for Art Ordinance.

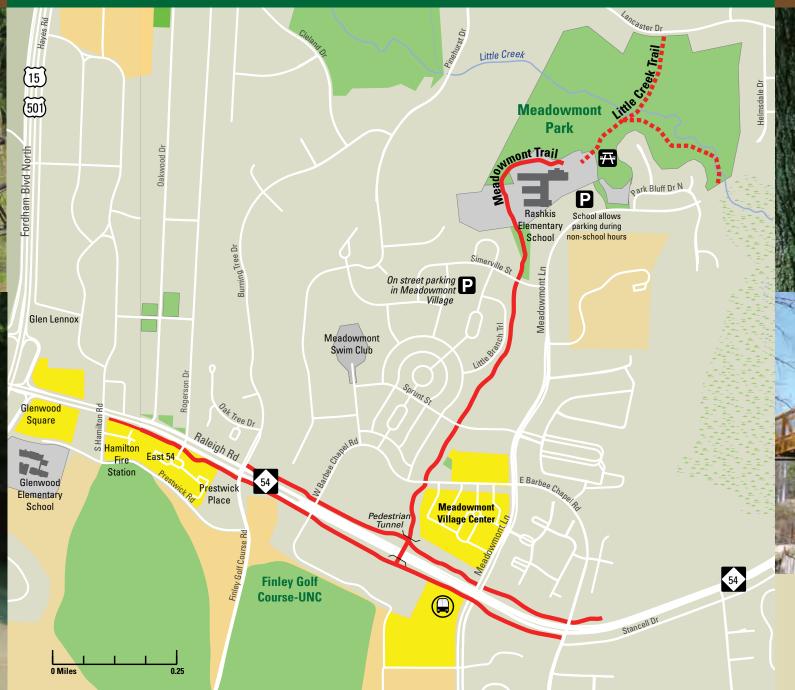

Greenway Regulations

- Bicycle users should travel on the right side of paved paths. Pass on the left and signal before passing.
- To accommodate other users, hikers should avoid blocking more than half of the trail at any time.
- Please avoid using bicycles on natural surface trails during wet conditions to prevent damage.
- Trails are closed from 30 minutes past sunset to 7 a.m.
- Wildlife and plants along trails are protected and should not be disturbed. Please leave flowers and plants for others to enjoy.
- Motorized vehicles (with the exception of motorized wheelchairs) are prohibited on town trails.
- Dogs are welcome, but must be on-leash. For cleaner trails and healthier creeks, pick up after your dogs. Bag waste and place in trash cans.
- Smoking and tobacco products are prohibited in the public areas of Chapel Hill.
