

# REGIONAL TRANSIT CENTER STUDY

April 2020

# WHAT IS THE REGIONAL TRANSIT CENTER STUDY?

- Bus connections between Wake, Orange and Durham counties
  - 10 routes
  - 1,000 people board each day
- Improve safety, functionality and convenience

# WHAT ARE THE GOALS OF THE STUDY?

- Provide a better experience for riders
- Make it more efficient for buses to enter and leave the Regional Transit Center
- Improve access to transit

# WHAT ARE THE NEXT STEPS?

## **Complete the study:**

- Collect feedback from the public
- Identify improvement opportunities
- Create design options
- Select a preferred design

## **Once the study is complete:**

- Identify additional funding sources
- Proceed with design and engineering of improvements
- Begin construction
