

Invitation For Bid (IFB) Addendum

IFB No. 1012-26-084 Addendum One (1)
IFB Title Bus Stop Improvements Group O

To: All Bidders,

This addendum includes the following additions, clarifications, and/or modifications and shall become a part of the plans and specifications. This addendum shall supersede the original bid documents in the event of any conflict.

Questions and Answers:

- 1) Q: Can you provide some clarity for the unit of measure on the bid form for the above referenced project. Specifically, items 11-13 are called out as sf when **ea** seems to be typical. Item 16 should probably be **lf** instead of **ea** and item 17 could be **lf** of linear measure or sf for face area instead of ea. Please advise.

A: The bid form has been updated and uploaded as a separate document on GoTriangle's website.

<https://gotriangle.org/procurement>

- 2) Q: Should Subsurface Utility Engineering (SUE) be considered as part of the project scope?

A: Level B SUE has been completed.

- 3) Q: Will signage be provided by GoTriangle?

A: GoTriangle will provide bus stop signage. The Contractor shall furnish all other required signage as part of the project.

- 4) Q: Will the pre-construction meeting include site visits to each location?

A: The pre-construction meeting will be held collectively at the GoTriangle offices.
