 - a. Immediately discontinue all Services affected (unless the notice directs otherwise),
 - b. Deliver to and transfer title to the GoTriangle's authorized personnel all data, reports, and other information and materials as may have been accumulated by Contractor in performing the Services under this Agreement, whether completed or in process, and
 - c. Make no additional commitments for any resources except as necessary to complete the remaining work under this contract.
- 8.1.3. GoTriangle may at any time, by written notice to Contractor, require Contractor to stop all, or any part, of the Services for a period herein specified in the Stop Work Order, not to exceed ninety (90) calendar days after the Stop Work Order is delivered to Contractor, and for such further period to which the parties may agree in writing. Upon receipt of the Stop Work Order, Contractor shall immediately stop performing the Services covered by the Stop Work Order and take all reasonable steps to minimize the incurring of costs allocated to the portion of the Services covered by such Stop Work Order. Within the period, GoTriangle will deliver to Contractor either (i) a notice that the Stop Work Order is canceled, and authorization for the Services to re-commence or (ii) a notice of termination of the Agreement for convenience or default.
- 8.1.4. Notwithstanding any other provisions to the contrary, including without limitation the provisions of the Agreement relating to compensation, if GoTriangle terminates the Agreement for convenience, GoTriangle will pay the Contractor for Services performed through the date of termination in accordance with the compensation provisions of this Agreement.

- 8.2.1. The Contractor shall be in default if it breaches any of its obligations under this Contract deemed material by the Contracting Officer. In addition to those instances specifically referred to in this Contract, the Contractor shall be in default in the following circumstances:
- a. It fails to begin, or abandons, the work of the Contract in accordance with Contractual requirements;
 - b. It fails to deliver the Product or perform the Services within the time specified in the Contract or any extension approved by the Contracting Officer;
 - c. It fails to make progress in a manner deemed reasonable by the Contracting Officer so as to endanger performance of the Contract; or
 - d. In the view of the Contracting Officer, the Contractor is willfully violating the Contract or is not executing it reasonably and in good faith.
- 8.2.2. In the event of a default or breach, GoTriangle will provide a written notice to the Contractor, specifying the nature of the breach and stating that, the Contractor has ten (10) days (or such additional time as the Contracting Officer authorizes, to cure the breach ("Notice to Cure"). If the Contractor fails to cure the breach in the time specified in the Notice to Cure, GoTriangle may terminate the Contract, in whole or designated part, for default in accordance with the provisions of this Contract, by a written "Notice of Default" to the Contractor.
- 8.2.3. Upon receipt of a "Notice of Default," the Contractor shall immediately cease performance of the work so terminated. GoTriangle shall have the right to take any action necessary to complete the work, including performing the work itself, or contracting with another party to do so. In the event the work is completed directly by GoTriangle or by a third party, the Contractor shall be liable for the additional costs and expenses necessary to complete the work, including, without limitation, labor, material costs, development costs, tooling expenses, equipment costs, software costs, and property costs. The Authority may deduct the costs and expenses so charged from any monies otherwise payable to the Contractor. Nothing contained herein shall be deemed to relieve the Contractor of its continuing obligation to perform any portion of the Contract that was not terminated.
- 8.2.4. GoTriangle may, in its sole discretion, waive a default by the Contractor, but such waiver shall not be deemed a waiver of any subsequent default.
- 8.2.5. Upon any termination for default, GoTriangle may require the Contractor to transfer title and deliver to GoTriangle:

- a. any completed or partially completed Services, Products or other work or deliverables, and
- b. components (including data and intellectual property) and contract rights that the Contractor has specifically produced or acquired for the terminated portion of this Contract. Upon direction of the Contracting Officer, the Contractor shall also protect and preserve property in its possession in which the Authority may have an interest.

8.2.6. Upon any termination for default, GoTriangle shall only pay for Products or Services accepted in accordance with this Contract. GoTriangle may also compensate the Contractor for any actions it reasonably takes at the Contracting Officer's direction, for the protection and preservation of property. GoTriangle may withhold from these amounts, any sum that the Contracting Officer determines to be necessary to protect GoTriangle against loss because of outstanding or claimed liens, or pending or anticipated claims under the Contract.

8.2.7. The rights and remedies of GoTriangle in this clause are in addition to any other rights and remedies provided under this Contract, at law, or in equity.

9. Transition Assistance

If the Contract is not renewed at the end of the term, or is canceled prior to its expiration, for any reason, the Contractor must provide for up to six (6) months after the expiration or cancellation of the Contract, all reasonable transition assistance requested by GoTriangle, to allow for the expired or canceled portion of the Services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such Services to GoTriangle or its designees. Such transition assistance will be deemed by the parties to be governed by the terms and conditions of the Contract, (notwithstanding the expiration or cancellation) except for those Contract terms or conditions that do not reasonably apply to such transition assistance. GoTriangle shall pay the Contractor for any resources utilized in performing such transition assistance at the most current Contract rates for Contractor performance. If GoTriangle cancels the Contract for default, then GoTriangle will be entitled to offset the cost of paying the Contractor for the additional resources the Contractor utilized in providing transition assistance with any damages GoTriangle may have otherwise accrued as a result of said cancellation.

10. Indemnification and Hold Harmless

To the fullest extent allowed by law and as applicable to N.C.G.S. Section 22B-1, Contractor hereby assumes the risk of and covenants to indemnify GoTriangle, its directors, trustees, officers, employees, affiliates, stakeholders, and agents (hereinafter referred to as "Indemnitees") against, and hold them harmless from all alleged losses, damages, liabilities, costs, and expenses, including without limitation, reasonable attorneys' fees, (i) Contractor's failure to meet any of its obligations under this Contract, including but not limited to Contractor's obligations to safeguard protected and/or confidential information from security

incidents; (ii) arising out of alleged injury to or death of any person, sickness or disease to any person(s), (iii) arising out of alleged damages to any property, real or personal, tangible or intangible, iv) or any alleged economic loss resulting from the alleged negligence or wrongful act or any error or omission by Contractor, its subcontractors, its agents or persons performing Services, or breach by Contractor, its subcontractors, its agents or persons performing Services, of any provision of the Agreement, in the performance of the Services thereunder.

10.1. In addition to the indemnity provisions set forth elsewhere in this Agreement and not in limitation thereof, Contractor agrees to indemnify and hold the Indemnitees harmless from any and all alleged claims, losses, judgments, or causes of action by Contractor's employees, independent contractors, or their representatives for personal injury or death arising out of, during, or from performance of the Services caused by any act or omission of Contractor. This provision is entered into pursuant to North Carolina General Statute Section 97-10.2(e).

10.2. Contractor understands and agrees that it is Contractor's responsibility to provide indemnification to GoTriangle pursuant to this Section. Insurance, while anticipated to provide a funding source for indemnification, is in addition to any indemnification requirements. The failure of the Contractor's insurance to fully fund any indemnification shall not relieve the Contractor of any obligation under the indemnification clauses set out within this Agreement.

10.3. In performing its duties under this requirement, Contractor shall, at its sole expense, defend GoTriangle with legal counsel reasonably acceptable to GoTriangle. GoTriangle shall nevertheless have the right at its expense to participate in the defense of such Charges. Notwithstanding the foregoing, however, under no circumstances shall Contractor compromise or settle any such Charges without the prior written consent and approval of GoTriangle, after full disclosure by Contractor. Section 10 shall survive expiration or termination of this Agreement.

11. Dispute Resolution

Disputes concerning a question of fact or law arising in the performance of the Agreement, which are not resolved by agreement of the parties to the Agreement, shall be decided in writing by the authorized representative of GoTriangle. This decision shall be final and conclusive unless within ten (10) calendar days from the date of receipt of its copy, Contractor mails or otherwise furnishes a written appeal to the authorized representative of GoTriangle. In connection with any such appeal, Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position to GoTriangle.

The decision of the authorized representative of GoTriangle rendered at the conclusion of any such appeal shall be final and conclusive as to questions of fact unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. The decision of GoTriangle or its duly authorized representative shall not be final and conclusive as to questions of law. No action challenging

such decision shall be brought more than six months from the date of Contractor's receipt of such decision.

- 11.1. If it is determined, on appeal, that GoTriangle's interpretation of the Agreement, direction to Contractor, or any other action required by GoTriangle's decision was an erroneous determination of the rights and obligations of the parties under the Agreement, Contractor's remedy shall be the same as if such action were a change under Section 4 Changes in the Services above.
- 11.2. Unless otherwise directed by GoTriangle, Contractor shall continue performance under the Agreement while matters in dispute are being resolved. Nothing in this section shall preclude alternative dispute resolution.
- 11.3. By submission of a proposal or offer in response to GoTriangle's solicitation, Contractor agreed to exhaust its administrative remedies under this Section 10 prior to seeking judicial relief of any type in connection with any matter related to the solicitation, the award of any contract, and any dispute under any resulting contract.

12. Choice of Law / Forum

This Agreement shall be deemed made in and shall be construed in accordance with the laws of the State of North Carolina. All litigation arising out of the Agreement shall be commenced in courts sitting in Durham County, North Carolina. If an action is instituted in federal court, such action shall be brought in the United States District Court of the Middle District of North Carolina.

13. Insurance

14. Independent Contractor

- 14.1. The parties acknowledge that Contractor is an independent contractor to GoTriangle. This Agreement is not to be construed as creating or constituting a joint venture, partnership, or agent/principal relationship between GoTriangle and Contractor. Contractor represents that it has, or will secure, at its own expense, all personnel required in performing the Services under this Agreement. Such personnel shall not be employees of, shall not be considered servants or agents or, nor have any contractual relationship with GoTriangle. Contractor, consistent with its status as an independent contractor, further agrees that its personnel will not hold themselves out as, nor claim to be, officers or employees of GoTriangle by reason of this Agreement. Contractor shall be responsible for all withholding and employer taxes with respect to such personnel to the complete exclusion of GoTriangle.

- 14.2. Contractor agrees to pay, and hereby accepts full and exclusive liability for the payment of, any and all contributions and taxes for Unemployment Compensation or Disability Insurance or Old Age Pension or Annuities now or hereafter imposed by any Federal or state governmental authority which are imposed with respect to or measured by wages, salaries, or other compensation paid by Contractor to persons employed by Contractor; and Contractor further agrees to indemnify and save GoTriangle harmless against any and all such liability or claims therefor.

15. Accuracy of Financial Statements

Contractor agrees that all financial reports, settlements and billings to GoTriangle will properly reflect the facts about all activities and transactions handled for the account of GoTriangle, which data may be relied upon as being complete and accurate in any further recording and reporting made by GoTriangle for whatever purpose.

16. Non-Discrimination
